VIAC offers arbitration practitioners the possibility to present themselves on its website. VIAC reserves the right to publish any presentations submitted and to remove it as the case may be. Parties are free to nominate an arbitrator of their choice and so is the VIAC Board when appointing an arbitrator. These presentations do not constitute recommendations but may assist the parties in choosing an arbitrator willing to conduct proceedings according to the Vienna Rules. The fact that an arbitration practitioner appears on this list, does not authorize this person to use the title "VIAC-arbitrator".

X I have completed this questionnaire to the above to the best of my knowledge and believe they are accurate.

X I hereby consent that the data provided in this questionnaire may be processed for the appointment of arbitrators and published by VIAC. This includes in particular publication on the website of VIAC as well as use in any presentations, etc. This consent may be withdrawn at any time by contacting VIAC at our general contacts, in particular by email addressed to office@viac.eu. The consequence of any such withdrawal will be that my data will no longer be processed by VIAC. For further information, see our privacy statement at <http://www.viac.eu>.
